

2026 Global Cardio-Oncology Summit

Cardio-Oncology Innovation and Implementation for the Future

Monday, October 5 - Wednesday, October 7, 2026

Williamsburg, Virginia

G C - O S

Global Cardio-Oncology Summit 2026

NOTES

WELCOME TO 2026 GLOBAL CARDIO-ONCOLOGY SUMMIT!

On behalf of VCU Health Pauley Heart Center, VCU Massey Comprehensive Cancer Center, The International Cardio-Oncology Society, and VCU Health Continuing Education, we welcome you to **2026 Global Cardio-Oncology Summit**.

Thank you for taking your valuable time to attend this important educational program. We have assembled a host of truly outstanding faculty who will provide you with the most up-to-date information related to advancing the prevention and management of cardiovascular disease among cancer survivors.

This packet includes the agenda, accreditation materials, and instructions for accessing the **online evaluation**, continuing education and MOC credit, and the **electronic syllabus** through our conference app.

Please be sure to complete your online evaluation ***within thirty (30) days*** to ensure that you receive credit for your participation in this program. The planning committee relies on your evaluation results to demonstrate the needs and interests of participants to plan next year's program. Please assist us by completing your evaluation in a timely manner. Your responses are important to us.

Thank you again for your participation in this program. It is always exciting to be surrounded by so many people who are committed to excellence in improving cardiac care for cancer survivors across the globe!

Wendy Bottinor, MD, MSCI

Medical Director, VCU Cardio-Oncology Program
Associate Professor of Medicine
VCU Health Pauley Heart Center
Richmond, Virginia USA

Michael Fradley, MD

President, International Cardio-Oncology Society
Medical Director, Thalheimer Center for Cardio-Oncology
Professor of Medicine
Penn Medicine
Philadelphia, Pennsylvania USA

Fadi N. Salloum, PhD

Senior Associate Dean for Research
VCU School of Medicine
Professor of Medicine
VCU Health Pauley Heart Center
Richmond, Virginia USA

IMPORTANT INFORMATION

COMPLIMENTARY WI-FI ACCESS

Enjoy complimentary wi-fi throughout the meeting rooms during the 2026 Global Cardio-Oncology Summit.
Network: **MarriottBonvoy_Conference** | Password: **williamsburg2026**

ELECTRONIC SYLLABUS AND EVALUATION

Access through the CloudCME mobile app

If you haven't already done so, now is the time to download the CloudCME app on your mobile device. The CloudCME mobile app provides access to the electronic syllabus, evaluations, and more.

- Download the CloudCME mobile app from your mobile app store (available on Apple and Android).
- Access the app on your mobile device and enter the **organization code: VCU**
- Click the "Login or Create Account" button to open the login panel.
- Select the appropriate sign in type and enter your CloudCME username (email address) and password.
 - **Sign in with your VCU Health ID** – *For VCU Health Faculty & Staff use only:* Use your current VCU Health email address and Windows password to login.
 - **Sign in with your email and password** – Use the account information set-up during the registration process. *Note that the email used during sign-in must match the email address used on your conference registration.*
- After you login, the main menu will display the options available. Tap any option to view the content and tap the Home icon to return to the main menu.

Access online

- Go to **<https://vcu.cloud-cme.com>** and click "Sign In" in the top left of the screen.
- Select the appropriate sign in type and enter your CloudCME username (email address) and password.
 - **Sign in with your VCU Health ID** – *For VCU Health Faculty & Staff use only:* Use your current VCU Health email address and Windows password to login.
 - **Sign in with your email and password** – Use the account information set-up during the registration process. *Note that the email used during sign-in must match the email address used on your conference registration.*
- Once signed in, click the yellow "My CME" or "My CE" button in the top right of the screen. Select any option to view the content and tap the Home icon to return to the main menu.

Can't view the electronic syllabus?

There are several possible reasons you are not able to view the electronic syllabus.

- The email address you logged in with does not match the email address used during registration. Sign out and log in with the email address used on your conference registration.
- Your conference registration has not been paid in full. Come to the registration desk to complete payment or click the payment link at the bottom of your registration confirmation email to pay online.

If these tips do not fix your issue, stop by the registration desk and we will assist you.

Reminder: In order to receive credit, you must complete your evaluation within thirty days of the activity.

COURSE DESCRIPTION

The Global Cardio-Oncology Summit is the premier international, interdisciplinary two-and-a-half-day conference dedicated to advancing the prevention and management of cardiovascular disease among cancer survivors. Our theme for 2026 will be “Cardio-Oncology Innovation and Implementation for the Future,” and topics will include: The Intersection between Artificial Intelligence and Cardio-Oncology, New treatments for Cardiac Amyloidosis, Cardiac Imaging: Novel Surveillance Strategies and Integrative & Multimodality Imaging, Preventive Therapy and Exercise Interventions for Cardio-Toxicity, Next Generation Therapies in Hematology and Oncology, and Role of the Immune System in Cancer and Cardiovascular Disease. The target audience will include physicians, nurse practitioners, physician assistants, nurses, and learners in training. The ultimate goal of the conference is to improve the cardiac care for cancer survivors across the globe.

COURSE OBJECTIVES

- Identify strategies for cardiotoxicity surveillance among cancer patients and survivors.
- Describe therapeutic options for cardiotoxicity prophylaxis and treatment in cancer patients and survivors.
- Explain the consensus on best practices for supportive care in cardio-oncology patients.
- Discuss next generation therapies in hematology/oncology and the potential for treatment related cardiotoxicity.
- Examine the role of the immune system in the intersection of cancer and cardiovascular disease.

ACCREDITATION AND CREDIT

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

VCU Health Continuing Education designates this live activity for a maximum of 17.00 **AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 17.00 **MOC points** in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

VCU Health Continuing Education designates this activity for a maximum of 17.00 **ANCC contact hours**. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

VCU Health Continuing Education has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 17.00 **AAPA Category 1 CME credits**. PAs should only claim credit commensurate with the extent of their participation.

AGENDA | OCTOBER 5-7, 2026

OCTOBER 5, 2026

All general sessions are held in the Virginia Room (DEF) on the lower level. 5.25 credit hours

A.M.		
7:00	Check-in and Registration Continental breakfast available and exhibits open	Registration Desk I – Main Level
8:00	Welcome and Announcements Wendy Bottinor, MD, MSCI; Michael Fradley, MD; and Fadi N. Salloum, PhD	
8:10	VCU Welcome Monica Baskin, PhD and Greg Hundley, MD	
8:20	Patient Perspectives on the Cardio-Oncology Journey Session Chair: Arnethea Sutton, PhD Tara Daudani; Russell Dove; and Alexandra Marshall, MS	
9:00	ESC-ICOS Joint Session: Global Cardio-Oncology - Experiences Shared from Around the World Session Chairs: Teresa Lopez-Fernandez, MD and Michael Fradley, MD Anuprita D. Daddi, MD; Eri Kato, MD, PhD; Khalid Matin, MD; Ariane Vierira Scarlatelli Macedo, MD, PhD and Doan Ngo, PharmB, PhD	
10:10	Refreshment Break <i>Exhibits open</i>	Virginia Room (ABC) & Foyer - Lower Level
10:30	Looking Toward the Future: The Role of AI in Cardio-Oncology Session Chairs: Christine Brezden-Masley, MD, PhD and Dinesh Thavendiranathan, MD • AI in Cardiovascular Care for the Cancer Patient Joerg Herrmann, MD • AI Model Development & Deployment for Detection & Screening in Cardio-Oncology Samir R. Thadani, MD • Redesigning Cardiovascular Care Using AI Efsthathia Andrikopoulou, MD, MBA • Transforming Cardio-Oncology by Leveraging LLM Systems Avirup Guha, MBBS	
11:30	Cardio-Oncology Journal Review: The Best Research of 2026 Joseph Carver, MD	

P.M.

12:00	Hosted Lunch & Product Theater (not for credit) <i>Sponsored by AstraZeneca</i>	Colony Room - Main Level
1:00	Amyloidosis Session I: Transforming Amyloidosis Care: The Next Era of Diagnosis & Treatment Session Chair: Jennifer Liu, MD • Finding the Clues for a Proper and Prompt Diagnosis Dan J. Lenihan, MD • Diagnostic Pathway and Heart Failure/Arrhythmia Management in Amyloidosis Ronald Witteles, MD • Silencers and Stabilizers in ATTR Amyloidosis: Transforming Disease Biology into Therapeutic Opportunity Joshua D. Mitchell, MD, MSCI	
	Cases Session Chair: Dan J. Lenihan, MD • Case 1: AL Amyloidosis Hashim Mann, MD • Case 2: Dealing with Diagnostic Challenges Keyur Shah, MD	
2:00	Thomas Force Lecture: Ten Laws of Cardio-Oncology Session Chair: Teresa Lopez-Fernandez, MD Awardee: Alexander Lyon, MD	
2:45	Refreshment Break <i>Exhibits open</i>	Virginia Room (ABC) & Foyer - Lower Level
3:15	ICOS Updates — Growing the Global Network: IC-OS Initiatives, Achievements, and Future Directions (not for credit) Stephen Casselli, PhD and Michael Fradley, MD	
3:45	ICOS Hall of Fame Induction (not for credit) Stephen Casselli, PhD and Dan J. Lenihan, MD Inductee: Eric Harrison, MD	
4:00	Young Investigator Award (not for credit) Judges: Bradley M. Allen, MD; Jennifer Liu, MD; and Alexander Lyon, MD	
4:45	Closing Comments Wendy Bottinor, MD, MSCI; Fadi N Salloum, PhD; and Brian Thomas	
5:00	Hosted Poster Session with Light Snacks (not for credit) <i>Sponsored by MCV Foundation</i>	Virginia Room (ABC) & Foyer - Lower Level
7:00	Summit Dinner (ticketed event / prior registration required) Welcome remarks by Marlon Levy, MD, MBA, FACS – David M. Hume Endowed Professor of Surgery; Chief Executive Officer, VCU Health System	Colony Room - Main Level
9:00	Adjourn	

OCTOBER 6, 2026

All general sessions are held in the Virginia Room (DEF) on the lower level. 6.75 credit hours

A.M.		
7:00	Arrival and Registration Continental breakfast available and exhibits open	Registration Desk II – Lower Level
8:00	Opening and Welcome Wendy Bottinor, MD, MSCI and Fadi N. Salloum, PhD	
8:15	Precision Exercise: Moving Cardio-Oncology Into the Future and Cases Session Chairs: Justin Canada, PhD, and Michelle Nadler, MD • Behavioral Lifestyle Programs in Cardio-Oncology Alexander Lucas, PhD • Cardiac-Oncology Rehab: Practical Implementation and Best Practices Fernando Rivera-Theurel, MD • Lessons from Allo-Active Erin Howden, PhD • A Universal Starting Point for Autonomic Dysfunction and Cancer Fatigue Raouf Gharbo, DO	
9:15	Joint IC-OS - MASCC Session and Panel Discussion Session Chair: Susan F. Dent, MD • Global Perspectives in Survivorship and Cardiovascular Health Hannah Ayettey Anie, MB, ChB • Key Highlights of Clinical Practice Statement Susan F. Dent, MD • Lifestyle and Exercise Matters Michelle Nadler, MD • Interactive Panel Discussion Hannah Ayettey Anie, MB, ChB; Jose Alvarez-Cardona, MD; Susan F. Dent, MD; and Michelle Nadler, MD	
10:15	Refreshment Break <i>Exhibits open</i>	Virginia Room (ABC) & Foyer - Lower Level
10:45	Amyloidosis Session II: Newest Treatments for Amyloidosis Session Chair: Keyur Shah, MD • Depleter Agents Morie A. Gertz, MD • Treatment of Light Chain Amyloidosis Heather Landau, MD	
11:15	Beyond Anthracyclines: Cardiovascular Toxicities with New-Generation Cancer Therapies Session Chairs: John McCarty, MD and Sebastian Szmit, MD, PhD • Cardiotoxicities Associated with CAR-T, TIL, and BiTE Syed Saad Mahmood, MD • Cardiovascular Toxicities of Bruton's Tyrosine Kinase Inhibitors Wendy Bottinor, MD • Cardiovascular Toxicities of Other Tyrosine Kinase Inhibitors Anju Nohria, MD • Toxicities of Novel Breast Cancer Therapies Mary Helen Hackney, MD	

P.M.

12:15	Amyloidosis Hosted Lunch & Product Theater (not for credit)	Colony Room - Main Level
	<i>Sponsored by Alnylam</i>	
1:15	Jeopardy Session World Cup Session Chair: Joseph Carver, MD Referee: Charlie Porter, MD Scorekeeper: Daniel Lenihan, MD	
2:15	What Happens After You Ring The Bell - Unique Challenges Facing Cancer Survivors Session Chair: Susan Hong, MD and Kazuhiro Sase, MD, PhD • Age is Just a Number: Reproductive Health, Menopause and Cardiovascular Risk in Cancer Survivors Anne H. Blaes, MD • Cardiovascular Screening in Long-Term Survivorship Susan Hong, MD • Enhanced Cardiotoxicity Risk Prediction Using Biomarkers and Strain Daniel Mulrooney, MD • Radiation & Valvular Disease Mohammed Quader, MD	
3:15	Refreshment Break <i>Exhibits open</i>	Virginia Room (ABC) & Foyer - Lower Level
3:45	Getting to the Heart of the Matter: What Is the Future of Cardio Protection for Cancer Patients? Session Chairs: Daniela Cardinale, MD, PhD and Anju Nohria, MD • Impact of GLP-1 Receptor Agonists on Cancer and Cardiovascular Disease Avirup Guha, MBBS • Risk-Guided Cardio Protection Ana Barac, MD, PhD • The Role of Statins Tomas Neilan, MD, MPH • The Role of SGLT2 Sarju Ganatra, MD • Non-Pharmacologic Treatments to Prevent Cardiotoxicity Siva Tharshini Ramalingam, MD	
4:45	GC-OS 2027 Announcement Kazuhiro Sase, MD, PhD	
5:00	Adjourn	

OCTOBER 7TH, 2026 | BASIC SCIENCE SYMPOSIUM

All general sessions are held in the Virginia Room (DEF) on the lower level. 5.00 credit hours

A.M.		
7:00	Arrival and Registration Continental breakfast available and exhibits open	Registration Desk II – Lower Level
8:00	Opening and Welcome Aarti Asnani, MD and Fadi Salloum, PhD	
8:15	Cardiac Immunology Session Chairs: Han Zhu, PhD • Clinical & Translational Approaches in Inflammation and the Inflammasome in Cardio-Oncology Antonio Abbate, MD, PhD • Immune Checkpoint Inhibitor- Associated Myocarditis Stephane Ederhy, MD • Pericardial Disease in Patients with Cancer Georgia Thomas, MD, PhD	
9:15	Cancer and Cardiovascular Disease: Shared Mechanisms & Bidirectional Relationship Session Chair: Doan Ngo, PharmB, PhD • Atherosclerosis, Inflammation, and Cancer Kathryn J. Moore, PhD • Clonal Hematopoiesis June-Wha Rhee, MD • Heart Failure and Cancer Rudolf A. de Boer, MD, PhD	
10:15	Refreshment Break <i>Exhibits open</i>	Virginia Room (ABC) & Foyer - Lower Level
10:45	Body Composition Phenotypes and Targeted Interventions in Patients with Cancer & Cardiovascular Disease Session Chair: Anne H. Blaes, MD and Salvatore Carbone, PhD • Body Composition Assessment: Clinical Implementation Sarah Peterson, RD, PhD • Cachexia and Malnutrition: Cardiac vs Cancer and Therapeutic Approaches Markus Anker, MD • Diagnostic Criteria for Sarcopenia, Sarcopenic Obesity, Cachexia & Malnutrition Rocco Barazzoni, MD, PhD • Dietary Quality, Exercise Capacity & Quality of Life in Cancer Survivors: Weight Loss is Not Always the Answer Salvatore Carbone, PhD	
11:45	Lunch	Colony Room - Main Level

P.M.

12:45 LeDucq Network of Excellence: Cardiovascular Toxicities of Anthracycline Chemotherapy

Session Chair: Aarti Asnani, MD and Alexander Lyon, MD

- **Understanding Doxorubicin-Induced Cardiotoxicity: Omics, Screening and Mechanisms**
Yue Qin, PhD
- **EPAC1 Links Iron Overload and Tumor Sensitization in Cardio-Oncology**
Frank Lezoualc'h, PhD
- **Using hiPSC to Unravel the Genomic Basis of Doxorubicin-Induced Cardiotoxicity**
Paul Burridge, PhD

1:45 Cutting-Edge Science in Cardio-Oncology: From Bench to Bedside

Session Chairs: Matthew R. Fleming, MD, PhD and June-Wha Rhee, MD

- **Mechanisms of SERD-Induced Bradycardia**
Aarti Asnani, MD
- **Translating Mechanisms of Anthracycline Cardiotoxicity to the Clinic**
Doan Ngo, PharmB, PhD
- **Translational Approaches in ICI Myocarditis**
Han Zhu, PhD

2:45 Closing Remarks

3:00 Adjourn

OCTOBER 7TH | NURSING & APP SYMPOSIUM

All general sessions are held in the Colony Room on the main level. 5.00 credit hours

A.M.		
7:00	Arrival and Registration Continental breakfast available and exhibits open	Registration Desk I – Main Level
8:15	Opening and Welcome Amanda Donaldson, FNP; Anne Mauck, CPNP, and Delia Yanes, ACNP	
8:30	Tracing the Roots of Cardio-Oncology Nursing: A Journey of Innovation and Care Anecita Fadol, PhD, FNP	
9:00	Look At How Far We Have Come! The Richmond Cardio-Oncology Program Amanda Donaldson, FNP and Emily Hulburt Baker, AGACNP	
9:30	Nurse Navigation: Bridging the GAP in Cardio Oncology: A Case Study in Care Janet Celli, BSN, PCCCN	
10:00	Using Nursing-Related Quality Indicators to Optimize Nursing Care Delia Yanes, ACNP and Geraldine Lee, PhD	Colony Foyer and Prefunction
10:30	Refreshment Break <i>Exhibits open</i>	
10:45	Protecting Young Hearts: A Multidisciplinary Approach to Cardio-Oncology Amanda Donaldson, FNP and Anne Mauck, CPNP	
11:15	Question & Answer	
11:45	Lunch <i>Exhibits open</i>	
P.M.		
12:45	Cardiology and Oncology Education Toolkit for Our Nursing Workforce Lisa Nodzon, PhD, ARNP, AOCNP	
1:00	Shaping the Future of Cardio-Oncology Anecita Fadol, PhD, FNP	
1:15	Pharmacology Update Sarah M. Hayes, PharmD, BCOP	
1:45	A Multidisciplinary Approach to Cardio-Oncology Olga H. Toro-Salazar, MD, MBA	
2:15	Roundtable Discussion on All APP Symposium Topics	
2:45	Closing Remarks	
3:00	Adjourn	

PLANNING COMMITTEE

Aarti Asnani, MD

Associate Professor of Medicine
Beth Israel Deaconess Medical Center
Boston, Massachusetts USA

Wendy Bottinor, MD, MSCI

Medical Director, VCU Cardio-Oncology Program
Associate Professor of Medicine
VCU Health Pauley Heart Center
Richmond, Virginia USA

Kendall Bruffy, BFA

Senior Program Coordinator, VCU Cardio-Oncology Program
VCU Health Pauley Heart Center
Richmond, Virginia USA

Joseph Carver, MD

Chief of Staff, Abramson Cancer Center
Senior Administrative Officer, Abramson Cancer Research Institute
Emeritus Director, Thalheimer Center for Cardio-Oncology,
Penn Medicine Annabelle and Bernard Fishman Clinical Professor of Medicine
University of Pennsylvania
Philadelphia, Pennsylvania USA

Stephen Casselli, PhD

Executive Director
International Cardio-Oncology Society
Tampa, Florida USA

Janet Celli, BSN, PCCN

Cardio-Oncology Clinical Care Coordinator
AdventHealth Cardiovascular Institute
Orlando, Florida USA

Susan F. Dent, MD

Professor of Medicine
Director of the University of Rochester Cardio-Oncology Program
Director of Judy DiMarzo Survivorship Program
University of Rochester
Rochester, New York USA

Anecita Fadol, PhD, APRN

Associate Professor, Department of Nursing/Cardiology
UT MD Anderson Cancer Center
Education Director, Nursing Cardiology Program
University of Texas
Houston, Texas USA

Michael Fradley, MD

President, International Cardio-Oncology Society
Medical Director, Thalheimer Center for Cardio-Oncology
Professor of Medicine
Penn Medicine
Philadelphia, Pennsylvania USA

Mary Helen Hackney, MD, MS, FACP

Professor of Internal Medicine & Oncology
Commonwealth Endowed Professorship in Breast Cancer Excellence
VCU Massey Comprehensive Cancer Center
Richmond, Virginia USA

Cathryn Iacona

Senior Event Coordinator
VCU Massey Comprehensive Cancer Center
Richmond, Virginia USA

Daniel J. Lenihan, MD

Director of Cardio-Oncology
St. Francis Healthcare
Cape Girardeau, Missouri USA

Mary McLeese, BA

Continuing Education Manager
VCU Health Continuing Education
VCU Health
Richmond, VA USA

Mackenzie Martin, MT

Continuing Education Specialist
VCU Health Continuing Education
VCU Health
Richmond, Virginia USA

Dustin McGee, CEM

Director of Events
VCU Massey Comprehensive Cancer Center
Richmond, Virginia USA

Ashley R. Mosher, RN

Registered Nurse Program Manager, VCU Cardio-Oncology Program
VCU Health Pauley Heart Center
Richmond, Virginia USA

Siva Tharshini Ramalingam, MD

Cardio-Oncologist
Royal Brompton Hospital
London, England

Fadi N. Salloum, PhD

Senior Associate Dean for Research
VCU School of Medicine
Professor of Medicine
VCU Health Pauley Heart Center
Richmond, Virginia USA

Dinesh Thavendiranathan, MD

Director, Ted Rogers Program in Cardiotoxicity
Prevention
Peter Munk Cardiac Center, Toronto General Hospital
Associate Professor
University of Toronto
Toronto, Ontario Canada

Elizabeth Torrey

Communications Director
VCU Health Pauley Heart Center
Richmond, Virginia USA

Shannon Winston, MA

Program Manager, Professional Education & Events
VCU Health Pauley Heart Center
Richmond, Virginia USA

FACULTY

Antonio Abbate, MD, PhD

Ruth C. Heede Professor of Cardiology
Robert M. Berne Cardiovascular Research Center
Division of Cardiovascular Medicine, Department of
Medicine
Heart and Vascular Center
University of Virginia School of Medicine
Charlottesville, Virginia USA

Bradley M. Allen, MD, FACC

Assistant Professor of Medicine
Virginia Tech Carilion School of Medicine
Blacksburg, Virginia USA

Jose A. Alvarez-Cardona, MD

Assistant Professor of Medicine
New York University Grossman School of Medicine
New York University Langone Health
New York, New York USA

Efstathia Andrikopoulou, MD, MBA

Associate Professor of Medicine
Division of Cardiology
University of Washington
Seattle, Washington USA

Markus Anker, MD

Cardiologist
Clinical Scientist, Department of Cardiology
Angiography, and Critical Care Medicine
Deutsches Herzzentrum der Charite
Berlin, Germany

Pediatric Hematology Oncology
Children's Hospital of Richmond
Richmond, Virginia USA

John McCarty, MD

Professor of Medicine
VCU Massey Comprehensive Cancer Center
Richmond, Virginia USA

Joshua D. Mitchell, MD, MSCI

Associate Professor of Medicine
Washington University in St. Louis
St. Louis, Missouri USA

Kathryn J. Moore, PhD

Jean and David Blechman Professor of Cardiology
Department of Medicine
Professor, Department of Cell Biology
NYU Grossman School of Medicine
New York, New York USA

Daniel A. Mulrooney, MD, MS

Deputy Director, ACT Clinic
Associate Member, Division of Cancer Survivorship
St. Jude Children's Research Hospital
Memphis, Tennessee USA

Michelle Nadler, MD, MD MSc

Medical Oncologist, Princess Margaret Cancer Centre
University Health Network
Assistant Professor, Clinician in Quality & Innovation
University of Toronto
Toronto, Ontario Canada

Doan Ngo, PharmB, PhD

Professor
Co-Director, Newcastle Center of Excellence in Cardio-Oncology
University of Newcastle
Callaghan, New South Wales Australia

Lisa Nodzon, PhD, APRN, AGACNP-BC, AOCNP

Nurse Practitioner, Malignant Hematology Clinic
Moffitt Cancer Center
Tampa, Florida USA

Tomas G. Neilan, MD, MPH

Director, Cardio-Oncology Program
Associate Professor of Medicine
Mass General Brigham
Boston, Massachusetts USA

Anju Nohria, MD, MSc

Professor of Medicine
New York University Langone Health
New York, New York USA

Sarah J. Peterson, RD, PhD, LDN

Assistant Professor, Department of Clinical Nutrition
Rush University
Chicago, Illinois USA

Charles B. Porter, MD, FIC-OS

Professor of Medicine, Cardio-Oncology Director
Department of Cardiovascular Medicine
University of Kansas Medical Center & Hospital
Kansas City, Kansas USA

Yue Qin, PhD

Research Associate, National Heart & Lung Institute
Imperial College London
London, England

Mohammed Quader, MD

Professor of Surgery
VCU Health Pauley Heart Center
Richmond, Virginia USA

June-Wha Rhee, MD

Associate Professor
City of Hope Comprehensive Cancer Center
Duarte, California USA

Fernando Rivera-Theurel, MD

Assistant Professor, Lead of the Cardio-Oncology Rehabilitation Program
University Health Network, Toronto General Hospital & Toronto Rehabilitation Institute
University of Toronto
Toronto, Ontario Canada

Kazuhiro Sase, MD, PhD

Professor of Clinical Pharmacology and Regulatory Science
Juntendo University Graduate School of Medicine
Tokyo, Japan

Keyur Shah, MD

Interim Chief of Cardiology
Professor of Medicine
VCU Health Pauley Heart Center
Richmond, Virginia USA

Arnethea Sutton, PhD

Assistant Professor, Department of Kinesiology and Health Sciences
VCU College of Humanities and Sciences
Richmond, Virginia USA

Sebastian Szmit, MD, PhD

Chair, Department of Cardio-Oncology
Centre of Postgraduate Medical Education, Institute of Hematology and Transfusion Medicine
Consultant, Cancer Diagnostics and Cardio-Oncology
Maria Skłodowska-Curie National Research Institute of Oncology
Warsaw, Poland

Samir R. Thadani, MD, MEng, FACC

Cardiologist, Kaiser Permanente
Assistant Clinical Professor
University of California San Francisco
San Francisco, California USA

Georgia Thomas, MD, PhD

Assistant Professor
VCU School of Medicine
Richmond, Virginia USA

Olga H. Toro-Salazar, MD, MBA

Director, Dimensional Imaging
Director, Cardio-Oncology Program
Professor of Pediatrics
Vanderbilt University Medical Center
Nashville, Tennessee USA

Ronald Witteles, MD

Professor of Cardiovascular Medicine
Founder & Co-Director, Stanford Amyloid Center
Founder & Co-Director, Stanford Multidisciplinary Sarcoidosis Program
Program Director, Internal Medicine Residency Training Program
Stanford University School of Medicine

DISCLOSURE STATEMENT

In compliance with ACCME Standards, all planners and presenter relationships with commercial supporters have been resolved. All presenting faculty affirm that they will employ best available evidence from all sources to support any clinical recommendations made in their presentations. If learners detect any commercial bias in any presentation, they should document their observations on the activity evaluation.

DISCLOSURE OF UNLABELED USE

This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications.

The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

DISCLAIMER

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications and/or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.

By attending this event you grant VCU Health Continuing Education the right at the event to record, film, photograph, or capture your likeness in any media and to distribute, use, or otherwise disseminate, in perpetuity, such media without any further approval or any payment to you.

QUESTIONS?

Contact VCU Health Continuing Education at ceinfo@vcuhealth.org or (804) 828-3640 for assistance in accessing your account, completing your evaluation and claiming credit.

ALliance: The Cardiologist-Oncologist Partnership in Light Chain (AL) Amyloidosis

Monday, October 5, 2026 | 12:00-1:00 PM ET
Colony Room, Main Level | Global Cardio-Oncology Summit 2026

Image created for Alexion Pharmaceuticals, Inc, for illustrative purposes only.

LEARNING OBJECTIVES

At the end of this session, participants will be familiar with:

- Key red flags and diagnostic tests for timely and accurate diagnosis of AL amyloidosis
- Current standard of care, unmet needs, and approaches to managing AL amyloidosis
- The collaborative role of cardiologists and hematologist-oncologists in diagnosing and managing AL amyloidosis

Carol Ann Huff, MD

Professor of Clinical Oncology
Johns Hopkins University School of Medicine
Baltimore, MD, USA

Joban Vaishnav, MD

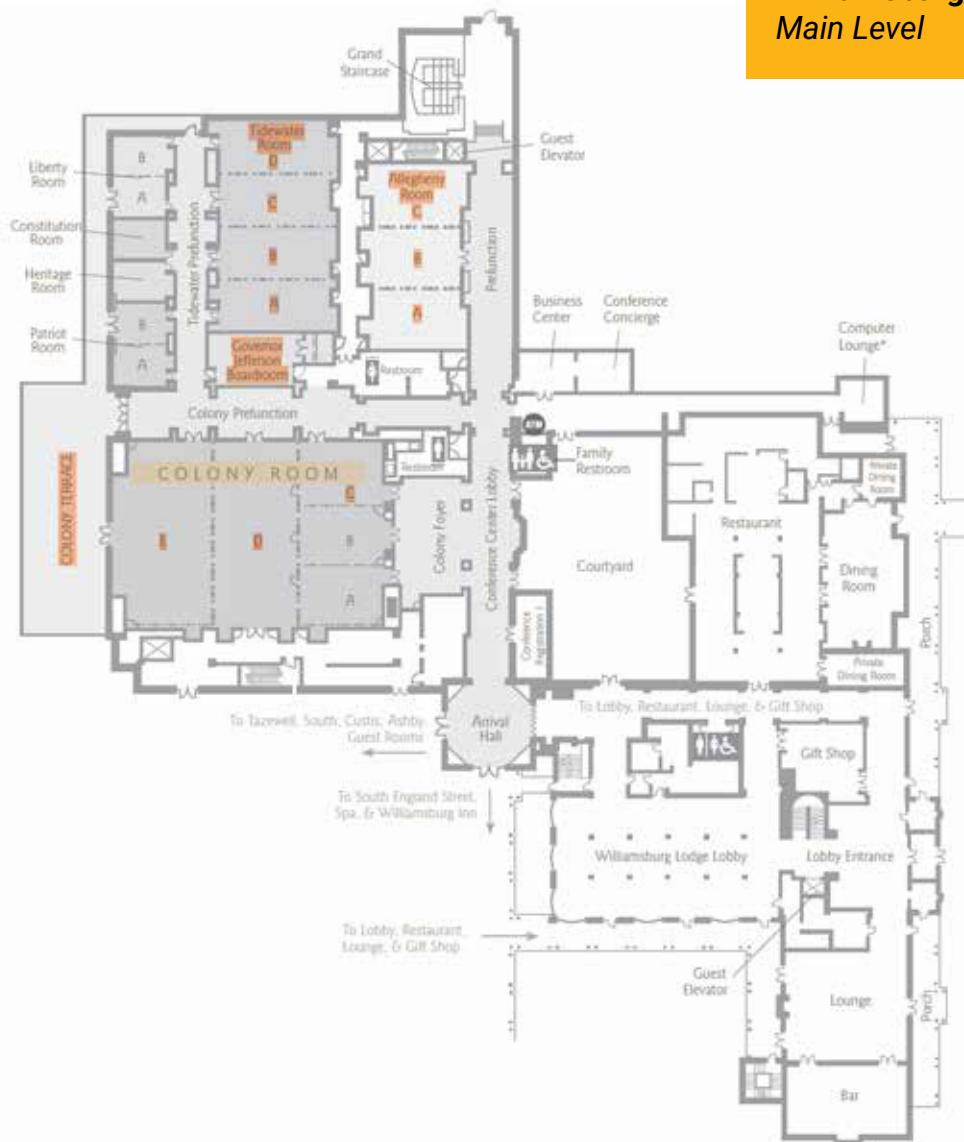

Assistant Professor of Medicine, Cardiology
Director, Johns Hopkins Comprehensive Amyloidosis Center
Johns Hopkins University School of Medicine
Baltimore, MD, USA

Organized and funded by:

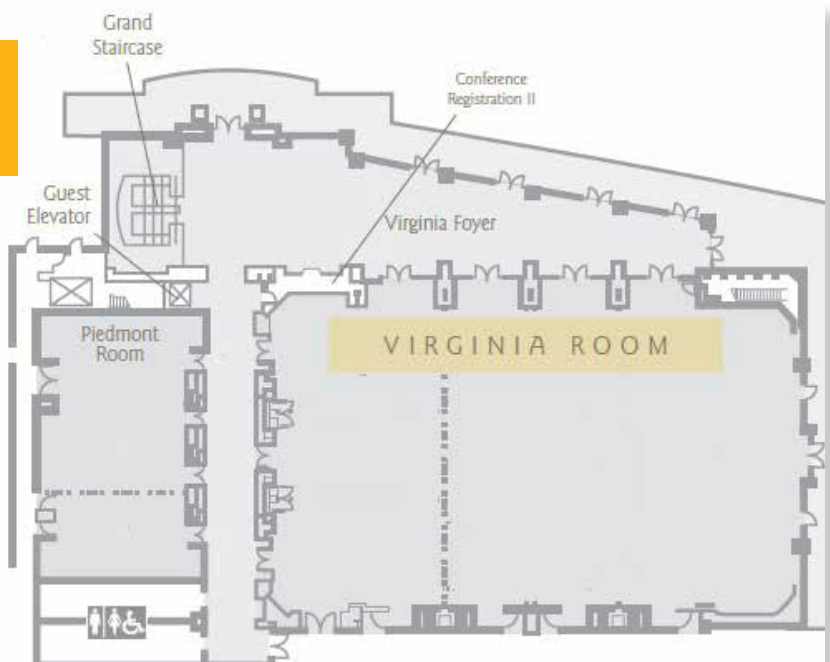

Intended for Healthcare Professionals only.
